

Rathmichael Historical Society
46th Summer Evening Lecture Series

Time: 8.00pm each evening Mon 17th August to Fri 21st August

We are using the Zoom application to bring the Summer Series to you at home. To see the presentations, you should click on the link below about five minutes before the lecture time – about 7.55pm - on each evening – Monday to Friday.

<https://us02web.zoom.us/j/82057486111>

Your web browser will open and, unless you have already done so, install Zoom on your computer or tablet. You will then be connected and will see the lecturer and slides on your screen. Your name will appear to other participants, but they will only see you if you switch on your video camera by clicking on the camera icon at the lower left of the Zoom window.

Questions for the speaker can be sent at any time by clicking on the "Chat" icon at the bottom (centre) of the Zoom window. The question itself should be typed in the bottom of the panel which appears at the right of the window. Questions will be answered at the end of the lecture.

The committee hopes that you will join us in this new way of meeting. When the talk starts, your microphone will not be switched on, but you will be able to see the slides and hear the lecturer.

The Programme

Date (all lectures start at 8pm)	Lecture Title	Speaker
Monday 17th August	<i>Dronehenge: The Discovery of a Giant Late Neolithic Monument near Newgrange</i>	Anthony Murphy
